PUBLICATIONS

The following is a list of my publications arranged by type and in chronological order from the beginning of my research career. For each multiple author publication, I have indicated at the end of each reference the Impact Factor of the journal and the extent of my contribution where appropriate.

Referred Journal Articles

4. Williamson, A.M. and Holman, J. (1980). Sex roles: personal choice or societal expectations. Australian Psychologist, 15, 499-501. (50%) IF=0.64 (0)

15. Williamson, A.M., Clarke, B., and Edmonds, C.E. (1989). The influence of diving variables on perceptual and cognitive functions in professional shallow-water (abalone) divers. Environmental Research, 50, 93-102. (70%) IF=2.96 (2)

42. Stevenson, M.E., Coleman, N. Long, A.F. and Williamson, A.M. (2000). Redesign and evaluation of changes to the driver’s cab in a suburban electric train. Applied Ergonomics, 31, 499-506. (20%) IF=0.95 (1)

45. Williamson, AM., Feyer, AM., Stout, N. Driscoll, T. (2001) Using narrative information to compare the causes of work-related fatal injuries in Australia, New Zealand and the USA. Injury Prevention, 7(S1), 5-20. (60%) IF=1.4 (15)

69. Boufous S, Finch C, Hayen A, Williamson A. (2008). The impact of environmental, vehicle, and driver characteristics on injury severity in older drivers hospitalised as a result of a traffic crash. Journal of Safety Research. 39; 65-72. (20%) IF=0.84 (1)

84. Williamson, A., Lombardi, D. Folkard, S., Stutts, J., Courtney, TK., Connor, JL. The link between fatigue and safety, Accident Analysis and Prevention, in press, accepted 15 May, 2009. (30%), IF=1.59 (0)

Editorials

88. Williamson, AM and Humphreys, M. (2002). Guest editorial for Special Issue on Human Factors, Australian Journal of Psychology, 54(3), ii. (80%) IF=0.95 (0)

Reviews in referred journals

Research book

Chapters

Refereed Papers in Conference Proceedings

International Conference on Driver Impairment, Fatigue and Driver Stimulation, Perth, 1993. (50%)

Other publications – technical and research reports

149. Williamson, A. Friswell, R. (2001). Road User Behaviour Study, Crash data analysis report, RTA 01.103. (50%)

Other publications – commissioned and non-refereed reports

sector. NSW IRMRC, UNSW, Report of ARC Linkage project with National Transport Commission, Australian Transport Safety Bureau, Australian Safety and Compensation Council and Motor Accidents Authority. (33%)
