

Application for Entry Aviation Honours Program

Never Stand Still

Science

School of Aviation

NOTES AND INSTRUCTIONS FOR ALL APPLICANTS

1. You should discuss your interests and available projects with the Honours Coordinator (Dr David Tan, E: david.tan@unsw.edu.au) and potential supervisors before completing this form. **To commence your Honours program, you must have been accepted by the supervisor.** Details of research being undertaken in the School, can be found on our website.
2. **Health and Safety.** If you commence your honours research project before your enrolment (such as over the Christmas break), you may be required to lodge a Volunteer Form and also a Risk Assessment Form.
3. You must attach a copy of your academic transcript with this application.
4. You will be notified of the outcome of your application by the School of Aviation via email to your student email account. If successful you will then be required to lodge an application to program 4500 Science (Honours) through UNSW Apply Online (<https://applyonline.unsw.edu.au/login>) to formally gain admission into the program.
5. Students who wish to undertake projects that require surveys or experiment participants will need to lodge and have approved a Human Research Ethics Application described at <https://research.unsw.edu.au/human-research-ethics-home>. As this process can take some time, it is best if the application process is begun prior to the official enrolment semester.
