Presented by the UNSW School of Aviation, this two day short course will be delivered to secondary students during the September school holiday break. The course is aimed at those interested in a future career in the aviation industry, and will outline some of the current issues facing the industry today. UNSW School of Aviation is proud to be supporting the Royal Flying Doctor Service (SE Section) with the donation of 100% of the registration fees for this course. Registration and payment of \$20 needs to be completed by 15th September to secure your place on this course. To register please go to <http://www.trybooking.com/213624>. All proceeds from the course are being donated to the RFDS.
